## Mesquite, Nevada 2021 Player Information

# Introduction

Many new players and returning players as well, are welcomed to Mesquite 2021 and Dunna's DirtDevil Classic XII. This introduction includes the following:

1. Introduction / Weekly Summary
  2. **NEW IN 2021 - Please Read!**
  3. Emergency Player Contact Information
  4. Divisional & Handicap Break-Down
  5. Handicap Conversion Chart
- **PIZZA-FEST VIII!** Beer and pizza in the courtyard area starting around 6-ish on Saturday, June 5<sup>th</sup> while it lasts. Dunna will provide pizza to those players arriving on Saturday. BYOB. Just an informal meet & greet.
  - **FINAL-DAY BANQUET ON FRIDAY.** We have a gathering planned for the entire group on Friday, June 11<sup>th</sup> starting at 7:00 pm in the Grand Canyon Room. Complete buffet (2 free drinks per player) will be served and players will receive all of the tournament results and receive their payout for the week. NOTE: I am told that this event is TBD based on gathering restrictions (if they are still in place). The Eureka staff believes that all gathering restrictions will be released by June 1<sup>st</sup>.
  - **PHOTOGRAPH DAY:** A group photograph is set for day 1, Monday (driving range area of Oasis course) at 6:30 am sharp!! Please plan on wearing your tournament shirt, be on time, and have your cameras ready! Late arrivals will cause a delay and force the entire group to wait for our escorts to the starting holes, which usually occurs promptly at 6:45am. Herding this many cats can take a half hour unless everyone is there and ready to go at 6:30 am sharp! Attendance is mandatory (we hope!). It's also a good chance to let everyone know that Dunna's Tournament is back in town! Thank you.
  - **PLEASE TURN IN YOUR TOURNAMENT SCORECARDS PRIOR TO LEAVING THE GOLF COURSE EACH DAY!** Shinbones, Dunna, and Painter will be remaining at the course after the round each day to collect every group's scorecards. Also, **PLEASE READ & TOTAL SCORECARDS** each day. Exchanging scorecards with the other twosome in each group will still be required. Please count strokes (and penalties appropriately).

**Scorecards** will be handed out daily in the vicinity of the putting green approximately 30 minutes prior to our tee-time. Look for myself, Shin, or Painter to get your scorecard. Starting holes will be determined by each golf course. *Scorecards will also designate which tee box we will be playing from each day. It is the player's responsibility to play from the correct tee box or incur a penalty.* Carts with the names of twosomes may not necessarily be accurate if some players decide to switch playing partners. I will be asking the courses to simply identify the carts by "Dunna's DirtDevil Classic" possibly indicating the hole number, and/or allow the players to select any cart. Some courses have informed me that if another sizable group schedules with them, they may make last-minute adjustments to the starting holes, etc... to fit the golf course needs. I do not receive starting hole numbers for our group in advance. I'm sure all of us are capable of adjusting to any last-minute changes.

- **COURSE PAIRINGS & SHOTGUN START TIMES:** As I have told everyone time and again, I must provide the courses a “starting line-up”, which basically means names and pairings for each day. Feel free to negotiate a swap with any other player(s) any day except Wednesday. I don’t need to be in the mix. Wednesday is our team event. We have asked that you use the tournament scorecards and twosomes exchange scorecards every other day and keep the other’s score.
  - ★ Please make a note of the starting times for the Utah courses on Tuesday & Thursday. Both are listed on the Pairings Sheets using **Mesquite time (NOT UTAH TIME)**. We were not fortunate enough this year to get later starting times due to the size of our group. Make sure you allow ample driving time.
- **FINAL REMINDER:** Whoever signs and attests the official scorecard should take the time to add up all the numbers and ensure the card is accurate. This will prevent bottle-necks with regard to the time it takes to calculate and verify the numbers, and certainly reduces controversy and keeps everyone happy. Remember, other than a mathematical “adding” error, signed/attested scorecards will not be changed!
- **HOLE-IN-ONE PRIZE:** There will be a bonus pot for any player (or players) who record a hole-in-one during the week. Referred to as the “Uncle Steve” award, any player (or players) who record a hole-in-one will receive \$500, or the pot will be split if there are multiple hole-in-ones. If no player records a hole-in-one, each Division will receive \$100 to be awarded as a bonus to the player in their respective Division who records the closest to the pin shot for the week on any hole, at any course (Monday – Friday). Remember players, EVERY shot on EVERY par 3 throughout the week is important! This \$500 bonus prize will be paid out!

## NEW IN 2021

- ★ **MOST SIGNIFICANT CHANGE: SENIOR FLIGHTS, TEE-BOXES & TEAM EVENT!** As we all begin to age and/or are joined by higher handicapped players, the difficulty of these resort-style courses (not necessarily the yardage) makes it hard for many of those players to enjoy their days/week of golf. For this reason, we have decided to allow our Senior Flights I & II players to play from one tee-box forward of the rest of the field at each golf course. Those players’ names will appear highlighted on each scorecard as a reminder. It will make no difference in our competition format. This change was implemented in 2019 and the feedback was very positive. We want those players to continue to join us each year and, most importantly, enjoy the trip!

The Senior Division was established by taking the 32 most mature, elderly, ancient, prehistoric players in the field, and separating them into two (2) flights of 16 based on handicap index. This year the break (by date of birth) to qualify for the Senior’s was 62 years of age and older. The youngest player in the field was born on October 7, 1958.

- **TEAM EVENT:** By popular request, we have added a team event this year (The Mesquite Shamble) to be held on Wednesday. Complete details are provided in the “House Rules & Tournament Format” link.
