

Pairings Information:

1) I am required to provide each golf course with a pairings sheet prior to our arrival. I do my best to keep friends, roommates, etc... in the same groups, as well as honor most requests that I receive. It is not always that simple with many single attendees who also request to play with various other players from time to time. It sometimes creates a domino effect and I start seeing double. Although I mix and match and I try to make the majority happy, most feel it is an opportunity to meet and play golf with new people anyway. Thanks for understanding.

2) I will create pairings for Sunday's practice round, as well as Monday, Tuesday, and Wednesday. Thursday is the team event, where teams are randomly selected and pairings are automatically generated. You will be able to view the first four days of pairings sheets (with the practice round) on the following pages.

3) Friday is our Match-Play finals. Those players competing for places between 1st & 6th (in each division) will be paired together. The remaining players will go onto the pairings sheet (in order) by handicap index. I simply need a quick and efficient way in which to create the pairings sheet for Friday at the Conestoga Golf Course. We will run the pairings sheet over to the Conestoga Golf Course as soon as possible following the completion of Wednesday's round. I will post Friday's pairings sheet soon after I post the daily results of Wednesday's round.

This is important! PLEASE READ

4) It is completely permissible for anyone to change with players in any other group on any round (except Thursday), so long as all parties are in agreement. Do it on your own, I DO NOT NEED TO BE IN THE MIX! Just make sure that scores are recorded on the official tournament scorecard and turned into the scoring table.

I'm sure we can all adapt and have a great week of golf!

** Any pairing is subject to change on short notice after making this initial post, completely based on last-minute additions and/or cancellations to the overall group.*

** CHANGES: If I get advance notice, I will post it here*
